## **Editorial comment**

November is upon us, unfortunately the village will not be having a fireworks display this year. We hope that you do enjoy any firework displays that you attend and stay safe. Also, if you are planning to have any fireworks at home we ask that you let your neighbours and nearby residents know, as not all our furry residents like the loud bangs at this time of year.

As we get closer to Christmas and the nights get colder, it's nice to get cosy with something warm. Perhaps you have a recipe for some of your garden produce from this summer. Why not share your recipes with us. If you do have any news or notifications to be included in the newsletter, please feel free to contact me: Samantha Fisk (Editor) at - [jwranewseditor@gmail.com](mailto:jwranewseditor@gmail.com) or 07904263711

## **Jacobs Well Residents' Association**

Many thanks to those residents who, following last month's call for volunteers, sent emails of support for running events in Jacobs Well - such offers are gratefully received and will be borne in mind should the JWRA (or Social Club) need extra pairs of hands in the future. Thanks also to the small number of residents who attended the JWRA AGM along with Committee members and local Councillors. Sadly, no new volunteers for the key Committee roles have been forthcoming. The JWRA will meet again on Wed 9th November (8pm, Village Hall) in the hope that local communications assets - such as Newsletter, Facebook Group and website - can be supported sufficiently to continue. Please feel free to come along if you missed the chance in October. If you have anything that you want to inform the residents association about, please feel free to contact us at [jwrachair@gmail.com](mailto:jwrachair@gmail.com)

### **Jacobs Well Gardening Club**

This is to inform you that the Annual General Meeting is arranged Tuesday 1<sup>st</sup> November 2022 7.30pm in the Village Hall Lounge.

As a member of the gardening club please do attend if possible. And if you happen to know anyone who may wish to join so bring them along or put them in touch. They are most welcome. Despite a difficult past 12 months the Gardening Club has survived and indeed held a successful Annual Show in the Village Hall during September. There was also a Spring plant sale and several evening meetings.

The general feeling is positive with a wish to continue. But support of the Community is all important and your views on the matter would be valuable.

On the evening of Tuesday 4<sup>th</sup> October, we held a meeting in the village hall lounge with an excellent speaker Mike Hall, a Chelsea Pensioner in full regalia. Mike gave a really interesting talk on the many aspects of the Chelsea Hospital.

The friendliness and enthusiasm at the garden club meetings make clear the importance of a thriving Community of which the Gardening Club is an important part. It is hoped that we can continue next year with another Annual Show and some more occasional evening meetings.

**Please attend the AGM if possible. Tuesday 1<sup>st</sup> November. 7.30pm Jacobs Well Village Hall Lounge. Cheese and Wine laid on!!**

### **Surrey County Council**

An update from our Surrey County Council representative Keith Witham.

As a member of the Surrey Police and Crime Panel, I get to meet and question our Police and Crime Commissioner regularly. One regular topic that residents raise with me is the effect of anti-social drivers who speed through our local areas.

So, I raised this with the Commissioner and asked what action Surrey Police take to deal with the issue, as enforcement of speed limits is a police responsibility. The response was encouraging.

The Police have powers to issue warnings and seize vehicles in relation to the anti-social use of vehicles. A total 556 warnings were issued by Surrey Police last year and 32 vehicles were seized by the Force. It was confirmed that such warnings issued to drivers and subsequent vehicle seizures are a very useful tool in helping combat anti-social driving.

So as always, I would urge residents to always report incidents of excessive speeding or other anti-social driving to the Police. As much info as possible including a vehicle registration, time location etc, helps the police to build up an accurate picture of both locations and individuals.

I'm also due to meet with the Chief Constable, who is responsible for the day-to-day operations of Surrey Police, so if any residents have issues, they would like me to be aware of, do please email me: keithwitham1@hotmail.co,
