## **Editorial comment**

Welcome to the April issue of the newsletter! I guess we can say that spring is here with the daffodils that have now appeared and even some nice sunny days starting to happen.

Of course, we can't forget that this month we are also celebrating Easter - time for those yummy Easter eggs. To spring into the new season there is lots going on in the village, Garden Club re-starts this month for any of you budding 'Monty Don's' out there. We're also looking for our next May Fayre Queen, more details about this below.

On more 'village matters' there is also an update about the allotments proposed for North Moors (the land behind Harry's Meadow). You may have also noticed some tree planting that has gone on in Harry's Meadow, this was part of scheme from Worplesdon Parish Council in collaboration with Surrey Council to plant more trees. To find out more about this please contact either Worplesdon Parish Council or Keith Witham our local Councillor for Surrey County Council.

So, I hope that you all have a sunny and lovely April and enjoy as our days get lighter and we head towards summer!

If you do have any news or notifications to be included in the newsletter, please feel free to contact me : Samantha Fisk (Editor) at - [jwranewseditor@gmail.com](mailto:jwranewseditor@gmail.com) or 07904263711

## **Jacobs Well Residents' Association**

The JWRA has been working over the last couple of months looking at up and coming events and also matters that affect the village. As we have now had all restrictions lifted this means that people are now moving about more freely, although caution still needs to be maintained. We hope that everyone in the village is still staying safe.

Due to the effects of the pandemic we have had to adjust some of the things we do. One of these things has been our annual subscription which usually collected at the beginning of the year will now be collected in June. What is the subscription for? The JWRA includes all in the village, so your subscription helps to maintain things like this newsletter, events that we hold in the village such as the May Fayre and also matters concerning the village whereas a representative body for the village we get involved on villagers behalf. The subscription is £2.50 a year per adult, so keep a watch out for those little white envelopes coming through your door in June. If you want to find out more about what the JWRA does and how to get involved then please feel free to get in touch with us on the address below.

In other news, we are happy to say the pizza van was a success - stay tuned for more details about this. The JWRA is also proposing an event to mark the Queen's Platinum Jubilee in June to mark the occasion.

If you have anything that you want to inform the residents association about please feel free to contact us at [jwrachair@gmail.com](mailto:jwrachair@gmail.com)

Following feedback from the Secretary of State in December 2021, further environmental information is now being gathered.

The two main areas are

- the impact on the nesting bats; and
- identifying badgers and their setts.

The results of these two surveys will be published over the next few months. National Highways are also working with Surrey County Council about building a "green bridge" over the A3 from the common to the Ockham Bites car park, thereby providing a safe corridor for local wildlife.

The next Secretary of State for Transport "continue" or "not continue" date for this project remains May 2022.

A little pic 'n' mix, with Dinky Dance launching the week/day at Jacobs Well Village Hall at 9.45am, followed by a Dancefit class at 11am, suitable for littlies to play and move about the space - instead of being turfed out as soon as you finish, we want to make the space a really great one to catch and even have lunch before you have to head in the care.

A fully qualified dance teacher with two small children and 16 years of teaching experience, I hope to provide you and your children with a safe space, to enjoy the music and let go.

### **Surrey County Council**

Over the past couple of months Surrey County Council has awarded TWO major grants to nearby local voluntary groups. The first was to the Normandy Community Shop and Cafe project, for £519,000. The 2nd a few days ago was to the new Pirbright Community Sports Centre for £300,000. I supported both applications and was delighted when they were approved.

So are there ANY local groups or organisations in Jacobs Well, or anywhere in Worplesdon, who have an idea? The motto of the YOUR FUND SURREY is to "think big". If you do please email me and I'm more than happy to advise on what might be possible, and to point anyone in the right direction. Minimum application of £10,000 - up to £2 million.

On the same tack, but on a much more modest level of support, I can sponsor small grants for local groups, normally up to £250. Applications open in late April, so again do please let me know if your group has a project, or needs equipment etc.

Best is to email me, including your address and contact details to: keithwitham1@hotmail.co.uk

### **Guildford Borough Council**

A couple of updates from our Guildford Borough Councillor who represents Worplesdon, Bob McShee.

#### Council Tax

The Council agreed the budget for 2022 to 2023 at last week's council meeting. To set a balance budget our Council Tax will be increased by £5 (2.75%) for Band D this year. We received just 9% of the council tax that we collect. The rest goes to the county council 75%, parish councils 2% and the police and crime Commissioner 14%. We are waiting to hear more about the council tax rebate, and we will let you know as soon as we receive guidance from the government on how it will work.

#### North Moors Allotments

The Council has received the Government's greenlight for plans to relocate a number of allotments from Bellfields Road to a nearby new allotment which at last enables the Council's Weyside Urban Village to proceed. This will provide 1500 homes and opening up a mile of riverside. This retains some allotments at Bellfields Road and relocate the remainder to a new site known as North Moors and to an extension of the existing allotments at the Aldershot road.

For more information about this and other developments please contact Bob McShee at bobmcshee@ntlworld.com
