Please pick up after your dog!

It has been noted by several residents that dog mess around the village is on the increase, both on the pavement and residents front lawn. As a polite notice could all dog owners make sure that they pick up after their dogs, and refrain them from straying on to residents' lawns. Not only is it unsightly but also does pose a potential health hazard for children in the village. Worplesdon Parish Council ask if residents spot any professional dog walkers failing to pick up after the dogs they are walking in Harry's Meadow, please can this be reported to WPC, as they will follow the matter up with the relevant professional dog walker.

Surrey County Council

An update on SCC from Keith Witham (Councillor).

ARRIVA BUS UPDATE: As you may be aware from my previous posts - Arriva Kent & Surrey Ltd. is ceasing its bus operations in Surrey after 17 December 2021 and closing its depot in Guildford. A proposal from another company (Falcon Coaches) to acquire the business did not reach maturity, therefore Surrey County Council has been working with other operators who have expressed an interest in taking over the services, to ensure that vital key routes are maintained without any interruption.

SCC are pleased to confirm details for the first batch of replacement services, commencing 18th December. Stagecoach South Ltd., already operating in the area and a valued partner of the Council, will take over several routes, maintaining current levels of service and increasing them in some cases. One of the services will be 34/35: Guildford-Woking-West End-Lightwater-Bagshot-Camberley (Daily).

Although Stagecoach will be providing these services on a largely commercial basis, certain parts of them will be supported by Surrey County Council, mainly during the evening and on Sundays.

I believe that this news is an excellent outcome for our residents and will hopefully allay many of the concerns that have been heard following Arriva's earlier announcement. A summary of the new Stagecoach services now appears on the 'Forthcoming Changes' page of the bus section of the County Council's website. Timetables will be added as soon as possible.

For more information, please contact Keith Witham on keithwitham1@hotmail.co.uk

- Waverley and Guildford Borough Councils have completed the first phase of the move to partnership working by appointing Waverley's current chief executive Tom Horwood as joint chief executive of both councils. The councils agreed the appointment at their respective full council meetings on the 1st of November, and Mr Horwood will take up the new role in early December.

Worplesdon Parish Council

An update from Worplesdon Parish Council (WPC).

BT Phone Kiosk (potential adoption of the phone kiosk in Stringer’s Avenue)

Following a request from a resident, Worplesdon Parish Council has approached BT to ask whether it would be possible to adopt the phone kiosk in Stringer’s Ave, in order to place a defibrillator inside the kiosk. BT has advised that this kiosk is not currently available for adoption, however, it is presently reviewing its entire estate. Nevertheless, Worplesdon Parish Council has registered its interest, should the kiosk come up for adoption at any time.

Muddy section of Harry's Meadow (from Derek Slaymaker's commemorative bench to the bridge over the watercourse)

Worplesdon Parish Council is currently obtaining quotations to install a section of path (specification to match the newly laid path in the North Moors allotments) between Derek's commemorative bench and the watercourse, which gets wet and slippery during the winter.

Free trees - Successful bid by Surrey County Council

Worplesdon Parish Council has been advised by Surrey County Council that 110 trees are being offered to every parish council in the County. Worplesdon Parish Council has accepted the offer and intends to plant the majority of the trees/bushes in Harry's Meadow to strengthen the boundary between the North Moors allotment site and Harry's Meadow, following Guildford Borough Council's clearance work.

Replacement bus shelter, Woking Road and potentially replacement of the bus shelter near the village hall

Surrey County Council has, or will soon be, placing an order for the replacement bus shelter on the Woking Road. The bus shelter will be re-sited to make it easier for the driver to see people waiting at the bus stop. The bench currently situated at this location will be relocated to the Recreation Ground in the near future.

Pond works - White House Pond

Whilst Surrey County Council has not yet provided the licence enabling the Parish Council to maintain this pond for the next ten years, clearance works (removal of the bull rushes and crassula helmsii) is planned for early December 2021.

Terrapins in Dollies Pond (Moat House Pond)

Unfortunately, more terrapins have been released into this pond, consequently, all the Great Crested Newts in the pond have been eaten. Please can any sightings of the terrapins be reported to Worplesdon Parish Council.

Surrey County Council's Transport Plan LTP4 consultation

Worplesdon Parish Council has responded to this consultation on behalf of the community.
